PERMIT APPLICATION

NOTE: BDD4 PERMIT REQUIRED! ANY DEVELOPMENT OR CONSTRUCTION WITHIN THE DISTRICT which requires drainage plan approval from the District, **OR any work within a District-owned or maintained facility, easement, or Right of Way** requires a BDD4 Work Permit. Brazoria Drainage District No. 4 (the "District") regulates certain activities within the boundaries of the District in accordance with the *District's Rules, Regulations, and Guidelines*. Permitted activities shall be limited to those shown herein. The District assumes no liability associated with or resulting from any activities conducted by the permittee.

APPLICATION SUBMITTAL & PAYMENT: Permit application can be found at <https://bdd4.org/permits/>. Email application to inspections@bdd4.org. Once the application is received and processed, an invoice will be issued. Invoices can be paid by check or credit card.

SPECIAL CONDITIONS:

1. All work shall strictly conform with the approved Drainage Plan, the District's Rules, Regulations, and Guidelines, and the standard District notes and details.
2. Construction permits are valid for 180 days. Permits can be renewed at no cost, provided a renewal application is submitted and approved by the District prior to the expiration date. **Parking/Access permits are valid for 7 days** unless noted otherwise.
3. Applicant shall notify the District at least **48 hours** before the start of any construction within District boundaries.
4. **All work shall be inspected prior to concrete placement or backfill.** Failure to notify the District and to obtain the requisite inspection(s) may result in the requirement to remove and replace all work at no cost to the District.
5. Temporary dams or bypass structures and equipment of any kind that may impede a District facility's normal design flow rate shall be removed before rain events to prevent adverse impacts on the community.
6. No pumping shall occur within 2 hours of a heavy rain event or at the discretion of the District.
7. Any damage to a District-owned or maintained facility caused by the permittee, owner, or their authorized agents shall be restored to its original or better condition at no cost to the District.
8. Before a Certificate of Compliance is issued, a Brazoria Drainage District No.4 **as-built certificate** and an **RPLS stamped as-built survey** must be submitted to the District. A copy of the as-built certificate can be found at bdd4.org/all-documents.
